PAUL P. HARRIS - FOUNDER OF ROTARY

Preface

Rtn. Rajesh Pamnani

PP Rotary Club of Secunderabad Sunrise

It gives me immense pleasure to pen this preface for the year book presented on the momentous occasion of the District Awards Night — a celebration of purpose, passion, and perseverance. As a Past President of Rotary Club of Secunderabad Sunrise and the Editor of RCSS Times, I feel truly privileged to curate this publication that showcases the collective spirit and impactful work of Rotary International, our district, and our very own home club.

This book is more than just a compilation — it is a tribute to the Rotarian spirit that drives us to serve above self. Within these pages, we highlight the expansive scope of RI activities and district-level initiatives that have touched countless lives. The publication also offers a glimpse into the vibrant work of various clubs, with a special spotlight on some key accomplishments of our home club, RC Secunderabad Sunrise.

We are proud to feature three standout highlights from our club's journey this year. The first, a dynamic community service initiative executed via the CSR route, led with the vision and dedication by Rtn. Srinivas Gumidelli. The second, an insightful perspective on the enduring value of fellowship, shared by Rtn. Lokesh Jain, reminding us that the heart of Rotary lies in strong human connection. And finally, a reflection on the significance of engaging with international clubs — an enriching experience that broadens our horizons and strengthens global ties, penned by yours truly.

I extend my heartfelt thanks to the Rotary Club of Secunderabad Sunrise for entrusting me with the honour of curating this special book. It has been a fulfilling journey. A special word of gratitude to Rtn. Samir Gupta and Ms. Lija Das for their unwavering support and creative dedication — spending countless hours shaping and designing this publication with care and passion.

To all our well-wishers and generous advertisers — thank you for believing in the cause of Rotary and for your support in bringing this book to life. May this year book serve as a proud reminder of what we have achieved together — and inspire even greater service in the years to come.

What is Rotary?

Rotary International is a volunteer organization of Rotarians & Rotaractors of business and professional leaders who provide humanitarian services and help to build good will and peace in the world. There are approximately 1.2 million Rotarians belonging to 35,454 Rotary clubs in more than 200 countries and geographical areas. Founded in Chicago in 1905, Rotary celebrated 100 years of services in 2005. The Rotary foundation has awarded more the US \$ 4.7 billion grants, which are administered at the local level by Rotary clubs.

What is the purpose of Rotary?

Rotary clubs exists to improve communities through a range of humanitarian, inter cultural and educational activities. Clubs advance international understanding by partnering with clubs in other countries. Rotary also encourages high standards in all vocations.

What do Rotary clubs do?

Rotary clubs address critical issues at home and abroad by providing health care and medical supplies, clean water, food, job training, youth development and education of people in need. Examples of rotary's focus areas include:

Polio Eradication: In 1985, Rotary international created Polio Plus - a program to immunize all the world's

children against polio. To date, Rotary has contributed more than US \$ 1.9 billion and countless volunteer hours to the protection of more than 2.5 billion children in 122 countries. Rotary has committed to raising 50 million dollars per year to be matched 2 to 1 by the Bill and Melinda Gates Foundation amounting to 150 million dollars for Polio eradication annually. These efforts are providing much needed polio vaccine, operational support, medical personnel, laboratory equipment and educational materials for health workers and parents. In addition, Rotary has played a major role in decisions by donor governments to contribute over \$ 8 billion to the effort. With its community based network worldwide, Rotary is the volunteer arm of the global partnership dedicated to eradicating polio. Rotary volunteers assist in vaccine delivery, social mobilization and logistical help in cooperation with the national ministries, the World Health Organization (WHO), UNICEF and the U.S. Centers for Disease Control and Prevention.

Peace: In an effort to educate tomorrow's peacemakers and ambassadors, up to 110 Rotary World Peace Fellows are sponsored each year to study at one of the right universities for the International Studies in peace and conflict resolution. Since 2002 the Rotary peace centers have trained more than 1300 fellows who now work in more than 150 countries.

International Education: Rotary is the world's largest privately-funded source of international scholarships. Each year, about 1,000 university students receive Rotary scholarships to study abroad. Rotary clubs also coordinate a high school-age student exchange program that has sent nearly 8,000 students abroad for three months to a year,

Humanitarian Projects: Rotary clubs initiate thousands of humanitarian service projects every year. These volunteer-driven projects address the root causes of conflict, such as hunger, poverty, disease and illiteracy.

Literacy: Rotary clubs work to improve literacy rates worldwide. A unique, Rotary pioneered approach called the Concentrated Language Encounter (CLE) has proven very effective in resource-strapped developing countries. It was so successful in Thailand, that the Thai Government adopted the program nationwide.

Water Management: Recognizing the importance of clean water, many Rotary clubs help to dig wells and develop water treatment and distribution systems to increase access to fresh drinking water for communities in need, especially in developing countries.

Who are we?

Rotary is a global network of more than 1.2 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

What we do

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our more than 45,000 clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies
- Protect the environment

Our mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision statement

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

We work differently

We see differently: Our multidisciplinary perspective helps us see challenges in unique ways.

We think differently: We apply leadership and expertise to social issues — and find unique solutions.

We act responsibly: Our passion and perseverance create lasting change.

We make a difference at home and around the world: Our members can be found in your community and across the globe.

Diversity, Equity, and Inclusion

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

Our Structure

Rotary is made up of three parts: our clubs, Rotary International, and The Rotary Foundation. Together, we work to make lasting change in our communities and around the world.

The heart of Rotary is our dedicated members, who share the ideals of service, friendship, diversity, integrity, and leadership.

Rotary clubs bring together people across generations who wish to create lasting change in the world, in their communities, and in themselves. Rotary and Rotaract members around the world strengthen their connections to friends and neighbors taking action through service. From big cities to rural villages, Rotary is changing communities like yours.

Club benefits

Your club connection gives you the chance to develop skills like public speaking, project management, and event planning. You'll meet interesting people from your community and around the world. And you'll tackle local and international issues that are important to you and your fellow club members.

Some clubs conduct all or part of their meetings online, for members who have a busy schedule, limited mobility, or live in an area without an established Rotary or Rotaract club. Online clubs, sometimes known as e-clubs, meet regularly, carry out service projects, support The Rotary Foundation, and socialize, like any other Rotary or Rotaract club, without the cost that often comes with meeting in person.

Stephanie A. Urchick has been an RI director and Rotary Foundation trustee and has served Rotary in numerous capacities, including as training leader, regional Rotary Foundation coordinator, and RI president's representative. In addition, Urchick was a representative and member-at-large at three sessions of the Council on Legislation.

Urchick has also served as chair of the Strategic Planning Committee and The Rotary Foundation's Centennial Celebration Committee, as well as a member of various Rotary committees, including the Election Review Committee and Operational Review Committee.

A Rotary member since 1991, Urchick has participated in a variety of international service projects, including National Immunization Days in India and Nigeria. In Vietnam, she worked with clubs to help build a primary school and traveled to the Dominican Republic to install water filters. A student of several Slavic languages, she has mentored new Rotary members in Ukraine and coordinated a Rotary Foundation grant for mammography equipment and a biopsy unit for a hospital in Poland. In its commemorative book, the Rotary Club of Krakow, Poland, noted Urchick as a key figure for helping the rebirth of Rotary in post-Communist Poland. Urchick has also helped to pair clubs and districts in the U.S. with Rotary clubs in Albania, Kosovo, and Ukraine for humanitarian and educational services.

Urchick's professional background is in the higher education, consulting, and entertainment industries. She received her doctorate degree in Leadership Studies from Indiana University of Pennsylvania and has been recognized by The Rotary Foundation and numerous community and international organizations.

Stephanie A. Urchick (RI President 2024-25)

Rotary Club of Mc Murray,
Pennsylvania, USA

Urchick asks members to champion Rotary's Action Plan so they can improve their clubs and keep Rotary strong, find a balance between continuity and change, and work for peace. She also emphasizes the continuing importance of the effort to eradicate polio. She urges members to join or initiate PolioPlus Societies in their districts and do all they can to help end the disease. Urchick will lead the 2025 Rotary Presidential Peace Conference in Istanbul, Turkey, 20-22 February 2025, with the theme Healing in a Divided World.

RI Theme 2024-2025 - "The Magic of Rotary"

RI President Stephanie Urchick

"The Magic of Rotary" is a theme that emphasizes the transformative power of Rotary International's work in communities around the world. The message behind this theme likely centers on the idea that through Rotary's service, dedication, and collaboration, incredible things can be achieved to make the world a better place.

Here's a message inspired by the theme "The Magic of Rotary":

"In every corner of the globe, Rotary brings the magic of hope, compassion, and change. Like magicians of goodwill, Rotarians weave together threads of service, turning dreams into reality and challenges into triumphs. With each project, each act of kindness, we unleash the power of Rotary to create lasting impact and transform lives. Together, let's continue to spread the magic of Rotary, illuminating darkness with light, and making our world shine brighter for generations to come."

This message highlights the transformative nature of Rotary's work and the dedication of its members to create positive change in the world. It emphasizes the idea that by working together, Rotarians can perform "magic" in their communities, bringing hope and joy to those in need.

Rotary Vision

What are three key words in the Rotary Mission Statement?

The mission of Rotary International is to **provide service** to others, **promote integrity**, and advance world **understanding, goodwill, and peace** through its fellowship of business, professional, and community leaders.

Rotary Mission

Object of Rotary

The **Object of Rotary** is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Of the things we think,
say or do

1. Is it the **TRUTH?**
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDS?**
4. Will it be **BENEFICIAL** to all concerned?

Premium Quartz & Granite Surfaces That Define Spaces.

At Rivaa Stones, every slab of quartz and granite is more than a surface — it's a canvas for the spaces you create.

Crafted to perfection. Delivered with care. Installed seamlessly.

Why Rivaa Stones

- ◆ Tailored for Kitchens, Islands & More
- ◆ Hassle-Free Installation Service
- ◆ Trusted by Architects & Builders
- ◆ Delivery Across India

Promoting peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas. We help refugees who have fled dangerous areas.

Providing clean water, sanitation, and hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving mothers and children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting Education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing Local Economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

Protecting the environment

Rotary members are tackling environmental issues the way they always do: coming up with projects, using their connections to change policy and planning for the future.

Our Causes : Ending Polio

Rotary is dedicated to causes that build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Ending Polio

What is polio?

Polio, or poliomyelitis, is a paralyzing and potentially deadly infectious disease that most commonly affects children under the age of 5. The virus spreads from person to person, typically through contaminated water. It can then attack the nervous system.

What Is Polio?

The Disease

Poliomyelitis is a highly infectious disease that most commonly affects children under the age of 5. Most know it as poliovirus. The virus is spread person to person, typically through contaminated water. It can attack the nervous system, and in some instances, lead to paralysis. Although there is no cure, there is a safe and effective vaccine – one which Rotary and our partners use to immunize over 2.5 billion children worldwide.

Our goal

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

As a founding partner of the Global Polio Eradication Initiative, we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

Our Causes : Ending Polio

Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.

Rotary and the Fight Against Polio

Rotary vs. Polio: A Timeline

Rotary is an international community that brings together leaders who step up to take on the world's toughest challenges, locally and globally. The eradication of polio is one of our longest standing and most significant efforts. Along with our partners, we have helped immunize more than 2.5 billion children against polio in 122 countries. We have reduced polio cases by 99.9 percent worldwide and we won't stop until we end the disease for good.

Rotary  **END
POLIO
NOW**

Our Causes : Promoting Peace

Today, over 120 million people are displaced as a result of conflict, violence, persecution, and human rights violations. Half of them are children.

We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

Rotary creates environments of peace

As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect. By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

Our commitment to peacebuilding today answers new challenges: how we can make the greatest possible impact and how we can achieve our vision of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peacebuilding, and finding more ways for people to get involved.

Rotary creates environments where peace can happen.

Our Causes : Promoting Peace

We believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care.

Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

Our Causes : Providing Clean Water

Clean water, sanitation, and hygiene education are basic necessities for a healthy environment and a productive life.

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.

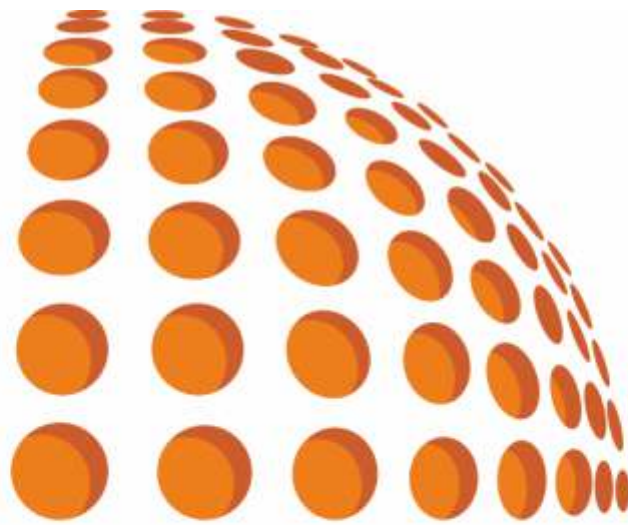

Our Causes : Supporting Education

More than 775 million people over the age of 15 are illiterate. That's 17 percent of the world's adult population.

Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

SINCE 1973

Agromech®

COMPLETE SHOPPING EXPERIENCE

Our Causes : Saving Mothers & Children

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

Our Causes : Growing Local Economies

Nearly 800 million people live on less than \$1.90 a day. Rotary members are passionate about providing sustainable solutions to poverty.

Our members and our foundation work to strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

We provide training and access to well-paying jobs and financial management institutions.

Our Causes : Protecting the Environment

Nearly 800 million people live on less than \$1.90 a day. Rotary members are passionate about protecting our common legacy: the environment.

We are committed to supporting activities that strengthen the conservation and protection of natural resources and advance ecological sustainability. We empower communities to embrace local solutions, create innovative service projects, and access grants and other resources to foster harmony between people and nature.

Our Causes : Disaster Response

With more than 1.2 million members worldwide, Rotary members are on the ground and ready to take action to help communities recover when disasters strike.

Rotary members and The Rotary Foundation play a unique role in disaster recovery and rebuilding efforts. Working closely with our partner ShelterBox and other organizations that specialize in disaster relief, Rotary members lead projects to support every phase of a community's recovery.

Rotary supports three phases of relief:

- Immediate response: Our local clubs and partners immediately offer helping hands and supplies.
- Short-term assistance: Our clubs and districts help affected communities wherever we can through funds and materials to re-establish day-to-day operations.
- Long-term rebuilding: Our clubs plan and implement projects that rebuild affected communities.

Our Programs : Youth Programs

Rotary believes in developing the next generation of leaders. Our programs help younger leaders build leadership skills, expand education and learn the value of service.

Interact clubs

Interact clubs bring together young people ages 12-18 to develop leadership skills and learn about the world through service projects and activities.

Rotary Youth Leadership Awards

RYLA is a leadership development program for young people who want to learn new skills, build their confidence, and have fun. Events range from one-day seminars to weeklong camps.

Rotary Youth Exchange

Rotary Youth Exchange builds peace one young person at a time. Students learn a new language, discover another culture, and truly become global citizens. Exchanges for students ages 15-19 are sponsored by Rotary clubs in more than 100 countries.

Our Programs : Rotary Youth Leadership Awards

Do you have what it takes to become a dynamic leader and change yourself and the world?

Rotary Youth Leadership Awards (RYLA) is an intensive leadership experience organized by Rotary clubs and districts where you develop your skills as a leader while having fun and making connections.

What are the benefits?

Connect with leaders in your community and around the world to:

- Build communication and problem-solving skills
- Discover strategies for becoming a dynamic leader in your school or community
- Learn from community leaders, inspirational speakers, and peer mentors
- Unlock your potential to turn motivation into action
- Have fun and form lasting friendships

What's involved?

RYLA events are organized locally by Rotary clubs and districts for participants ages 14-30. Depending on community needs, RYLA may take the form of a one-day seminar, a three-day retreat, or a weeklong camp. Typically, events last 3-10 days and include presentations, activities, and workshops covering a variety of topics.

Your community might host a RYLA event for secondary school students to hone their leadership potential, for university students to develop creative problem-solving strategies, or for young professionals to learn ethical business practices.

How can I participate?

RYLA participants are nominated by local Rotary clubs. Contact your local Rotary club to find out more about RYLA events in your area, how to apply, and any costs of getting involved.

Our Programs : Peace Fellowships

Each year, Rotary awards up to 130 fully funded fellowships for dedicated leaders from around the world to study at one of our peace centers.

Through academic training, practice, and global networking opportunities, the Rotary Peace Centers program develops the capacity of peace and development professionals to become effective catalysts for peace. The fellowships cover tuition and fees, room and board, round-trip transportation, and internship and field-study expenses.

Since the program began in 2002, the Rotary Peace Centers have trained more than 1,800 fellows who now work in over 140 countries. Many serve as leaders in governments; NGOs; education and research institutions; peacekeeping and law enforcement agencies; and international organizations like the United Nations and the World Bank.

Our fellowships

The Rotary Peace Fellowship is designed for leaders with work experience in peace and development. Our fellows are committed to community and international service and the pursuit of peace. Each year, The Rotary Foundation awards up to 50 fellowships for master's degrees and up to 80 for certificate studies at premier universities.

Our Programs : Rotary Community Corps

A Rotary Community Corps (RCC) is a group of non-Rotarians who share our commitment to changing the world through service projects.

RCC members plan and carry out projects in their communities in collaboration with local Rotary clubs. Sponsored by a Rotary club, an RCC leverages Rotary’s network, brand, and mentorship by partnering with clubs to plan and implement service projects. RCCs increase Rotary’s impact and expand its reach by bringing the knowledge and talents of local people to strengthen their community through sustainable projects.

There are more than 12,000 corps in 105 countries and 257 districts. RCCs are active everywhere Rotary is present: in urban and rural areas, and in both developed and developing countries. Read more about RCC trends worldwide in the annual Rotary Community Corps report.

Our Programs : Rotary Youth Exchange

Rotary Youth Exchange builds peace one young person at a time.

Students learn a new language, discover another culture, and truly become global citizens. Exchanges for students ages 15-19 are sponsored by Rotary clubs in more than 100 countries.

What are the benefits?

Exchange students unlock their true potential to:

- Develop lifelong leadership skills
- Learn a new language and culture
- Build lasting friendships with young people from around the world
- Become a global citizen

How long do exchanges last?

Long-term exchanges last a full academic year, and students attend local schools and live with multiple host families.

Short-term exchanges last from several days to three months and are often structured as camps, tours, or homestays that take place when school is not in session.

What are the costs?

Room and board are provided, as well as any school fees. Each program varies, but students are usually responsible for:

- Round-trip airfare
- Travel insurance
- Travel documents (such as passports and visas)
- Spending money and any additional travel or tours

How can I apply?

Candidates are ages 15-19 and are leaders in their schools and communities. Contact your local Rotary club to see what exchange opportunities are available and what the application process involves.

Rotary Youth Exchange Annual Report

Rotary Youth Exchange inspires young leaders to serve as catalysts for peace and social justice in their local communities and throughout the world, long after their exchanges end. This program is possible because of the dedication, leadership, and passion of the tens of thousands of volunteers — Rotary members and nonmembers alike — who make this unique program so successful.

Our Programs : Scholarships

The Rotary Foundation and clubs invest in our future leaders and philanthropists by funding scholarships.

Seeking a scholarship?

Clubs and districts offer scholarships for secondary, undergraduate, or graduate study. These scholarships can be supported with funds raised locally or with Rotary Foundation district or global grants.

Contact your local club for application information and eligibility requirements.

The Rotary Foundation offers scholarships for college graduates and professionals to study peace and conflict resolution.

Rotary Peace Fellowships are available to candidates who want to participate in a master's degree or professional development certificate program at one of our partner universities.

Want to offer a scholarship?

Rotary clubs can apply to The Rotary Foundation for district and global grants to support scholarships.

Global grant scholarships

Global grants are for graduate students studying abroad in one of Rotary's areas of focus:

1. Promoting peace
2. Fighting disease
3. Providing clean water, sanitation, and hygiene
4. Saving mothers and children
5. Supporting education
6. Growing local economies
7. Protecting the environment

Scholarships last from one to four years and can include an entire degree program. Global grant scholarships are funded using District Designated Funds (DDF), cash, and directed gifts and endowment earnings. The Foundation will provide an 80% World Fund match for all DDF contributions.

District grants

District grants can be used to sponsor secondary school, undergraduate, or graduate students studying any subject, either locally or abroad. The scholarship may cover any length of time, from a six-week language training program to a year or more of university study.

Rotary Peace Fellowships

Rotary members are essential to recruiting qualified candidates for Rotary Peace Fellowships. You can advance peace around the world by promoting peace fellowships and supporting peace fellow candidates through the application process.

Our Programs : Friendship Exchange

Experience different cultures and build international friendships through Rotary Friendship Exchange

What is Friendship Exchange?

Friendship Exchange is an international exchange program for Rotary members and friends that allows participants to take turns hosting one another in their homes and clubs.

Participants may travel as individuals, couples, families, or groups, and may be Rotary members or not.

Benefits of an exchange

- Broaden international understanding
- Explore a profession or job in a different context
- Build enduring friendships
- Gain opportunities for active project involvement and support
- Learn about a region's people, food, languages, customs, and history
- Find partners for grants
- Establish a foundation for peace and service. This can be done virtually or in person in a way that builds peace. Find out more in this guide: [Peacebuilding Through virtual and Hybrid Exchanges](#).

Choose a destination

Explore our Exchange Finder Map to view current exchange locations and the districts that serve them. Connect with the district's Rotary Friendship Exchange chair for help finding potential international hosts and planning your itinerary.

Define your purpose

Friendship exchanges are organized around at least one of three themes: culture, service, and vocation.

Fund your exchange

All exchanges are paid for by the participants or their districts. Hosts are not expected to assume a significant financial burden. Club or district funds may be available to offset the costs of exchanges that have a vocational emphasis.

INTERACT

Interact was born in 1962 and it is a service and social club for young people ages 12-18. Each club is sponsored by a Rotary Club, which guides the interactors in developing local and international service projects. Interact clubs are self-governing and self-supporting, offering many opportunities for members to develop valuable leadership and teamwork skills. Interact clubs can be school based or community based. Each Interact club is required to complete at least two major service projects annually, one to serve the community and another to promote international understanding.

ROTARACT

Rotaract is an international program for adults aged 13 to 30 who want to make a difference. It was founded in 1968 by Rotary International, Rotaract clubs enable Rotaractors to grow personally and professionally. Address community needs and promote international understanding through friendship and service. Rotaract clubs can be college or community based. Each Rotaract club concentrates on professional development, leadership development and service project.

ROTARY COMMUNITY CORPS (RCC)

The RCC is a Rotary club sponsored association of service minded adults who are not Rotarians but are willing to work together in the spirit of self reliance to meet the needs of the community, Rotarians extend ideas of Rotary via RCC. The RCC takes Rotary service to the remotest corners not touched by Rotary. The RCC extends Rotary service, RCC programs have opened a new field of Rotary activity that underscores the use of leadership development with local resources and appropriate technology.

ROTARY FELLOWSHIPS

Rotarians who share common interests in recreational and vocational activities are encouraged to associate themselves in fellowship groups. The fellowship provides the members the opportunity to have a little fun while doing good deeds. Each fellowship is a forum through which Rotarians interact with people with similar interests regardless of the language they speak or cultures they belong, to get together, to enjoy each others company Fellowships provide incentive and reason for people to stay in Rotary.

7. Dr. Bharat S. Pandya	TRF Trustee 2022-26

Rotary
District 3150

District Governor's Valedictory Note

Sharath Choudary
District Governor 2024-25

My Dearest Fellow Rotarians,

It is with a heart full of gratitude and immense pride that I pen down this valedictory message, at the culmination of what has been a truly remarkable year for Rotary Year 24-25 for our Rotary District District 3150.

We have had a year of tremendous service, new heights in Foundation giving and a bold and honest approach to membership. We also made a beginning in the Action plan of Rotary being evangelised and practiced at every Club and clubs setting their Action Plan priorities. Clubs were given an opportunity to let their needs and aspirations lead the way in service with little or no District mandated projects, and the results have been encouraging, with some clubs doing exceedingly well but all Clubs trying.

Our collective generosity this year has been nothing short of extraordinary. I am immensely proud to announce that our contributions to The Rotary Foundation reached an unprecedented 1.5 million dollars. This staggering figure is not merely a sum of money; it represents lives touched and transformed. Each dollar given is a promise kept, a hope rekindled, and a future made brighter for countless individuals around the globe. While our overall Foundation giving soared on the back of CSR India grants, gratitude to our Corporate partners. I must acknowledge that our Annual Giving has experienced a significant rebound from steep nose dive to a four-year high. This is the beginning of the journey for every Club and Rotarian to realise the potential of using the Foundation as a vehicle of creating an impact. I am incredibly heartened to share that each of our clubs have contributed to the Annual Giving, demonstrating a district-wide commitment to supporting the Foundation's vital work. Furthermore, I am particularly proud that about 60% of our Rotarians have made a personal contribution especially to our polio eradication fund, a truly remarkable display of every individual Rotarians' dedication to make this world a free place from this debilitating disease. We have had four new endowment forums and the addition of funds to a few more, making the perennial source of support to our Districts Projects higher.

On the membership front, we have taken a bold new approach- one centred around integrity and the promise we make to ourselves, that as Rotarians we are people of action. If the tree of Rotary must grow healthily in our District, we must prune branches that are no longer giving shade or bearing fruit. With this approach we have seen ten clubs to depart. But our tree has grown fresh branches and we joyfully welcomed four new Rotary Clubs and two Satellite clubs. We have advocated that each club should bring in "Rotarians for Life", even if our inductions are less, it is important that we internalise Rotary into our new members and retain them. I am thrilled to report that even with this careful approach, we have achieved a membership growth of over 10%,. Each new member and each new Club brings in fresh perspectives, renewed energy, and a commitment to service that will undoubtedly enrich our district in the years to come. This growth isn't just about numbers; it's about expanding our reach, diversifying our talents, and strengthening our collective power to do good in the world.

The magic of Rotary and, our commitment to "Service Above Self" has been nothing short of stupendous. We haven't just talked about the Rotary Action Plan; we've put it into vigorous action. Our projects have been impactful, making tangible differences in the lives of those we serve and to the members of the communities we serve, easing off their daily burdens and improving their quality of life.

Our initiatives have been deeply engaging with our members and participants, fostering a sense of ownership and collective achievement. Most importantly, in this process of service our efforts have successfully reached new donors and partners, thus expanding our network of support and amplifying our ability to create a lasting change. This is the essence of Rotary – connecting people, transforming communities, and building a better world - one project at a time. We can reflect on our achievements across Rotary's seven areas of focus and the avenues of service. Each one represents a unique opportunity for us to make a difference.

It is not my endeavour to list the numerous projects in this valedictory address, but to invite you to reflect on the wonderful work we have done and write our stories in words and pictures. Its time for us to say goodbye to the Rotary year 24-25 but pick up the pen and chronicle our journey. This year book will be open for each Club to tell us of their journey until 15th of August.

My dear friends, we have had an excellent year ! We have faced challenges head-on, celebrated successes with gusto, and most importantly, we have served with passion and dedication. The progress we've achieved this year, whether in membership growth, Foundation giving, or the tangible impact of our service projects, is a testament to the unwavering commitment of each and every one of you.

As Rotarians, we understand that progress is not about individual triumphs but about sitting on the shoulders of others and growing more. Our achievements this year are built up on the solid foundation laid by past leaders and the tireless efforts of countless Rotarians who came before us. It is with fond hope that the coming year, with all its triumphs and lessons learned, will a robust platform from which our District can aspire to aim higher and grow stronger . May the momentum we have built encourage us in the coming years to soar higher to even greater heights of service, fellowship, and impact.

Thank you for your trust, your dedication, and your unwavering spirit. It has been the honour of a lifetime to serve as your Governor. Let the Magic of Rotary continue.
Yours in Rotary Service

K Sharath Choudary
Governor, Rotary District 3150

Rtn. Shanthi Priya Marla
Rotary Club of Hyderabad Pearls

It has been an incredible honour and privilege to serve as the Assistant Governor for Rotary District 3150 during the Rotary year 2024–25. I extend my heartfelt gratitude to our District Governor, Rtn. Sharath Choudary, for entrusting me with this important responsibility and giving me the opportunity to serve in this leadership role.

This year has truly been a fulfilling journey—one filled with inspiration, action, and a deepened commitment to the Rotary spirit of "Service Above Self." With seven vibrant clubs, RC Jubilee Hills, RC Hyderabad Pearls, RC Hyderabad Midtown, RC SMART Hyderabad, RC Hyderabad Pride, RC Narsingi and RC Springfield assigned under my care, I had the pleasure of witnessing Rotary in action across various communities.

The calendar was brimming with activity, as I attended numerous service projects ranging from health camps and environmental drives to youth programs and community development initiatives. Each visit reaffirmed my belief in the power of Rotary to create lasting impact. It was both humbling and uplifting to see the enthusiasm, creativity, and compassion with which each club approached their work.

What made this year truly special was the opportunity to connect with dedicated club presidents, tireless secretaries, and countless Rotarians whose commitment to service has left a lasting impression on me. I am deeply thankful for their cooperation, hospitality, and the shared moments of learning and celebration.

As I look back, I carry with me a sense of pride for having played a small part in such a powerful movement of positive change. I thank each club for welcoming me into their fold and for allowing me to be a part of their incredible journey.

Here's to continued service, strengthened fellowship, and the unwavering Rotary spirit!

Assistant Governor 2024-25

Rtn. LT COL P Kamesh
Rotary Club of Sainikipuri Secunderabad

I am a Rotarian since 2017 and had an opportunity to be a part of a vibrant club Sainikipuri and am proud to be a member. I also had the privilege of being the president in the year 22-23. I realized that if one performs with Humility, Dedication and Integrity in Rotary nothing stops in being recognized for the hard work. I was bold but became bolder working with a team of Rotarians.

In the year 24-25 I was appointed as the Assistant Governor by DG Sharath Chowdary and am thrilled to serve under his able guidance. It was a thrilling experience and was able to learn more about Rotary. We were also given the opportunity to complete our RLI training along with FOT. As I wanted to learn more about Rotary attended the graduation course at RLI Goa.

The designated projects by the District could be done and while doing so developed in many avenues of leadership, dealing with Presidents (communication skills), motivational skills and Peace and conflict resolutions.

During this year also was in charge of CSR project with Goldman Sachs of establishing 30 computer labs for the ZPHS schools. The other projects which gave me satisfaction was providing RO plants to schools, distribution of cycles, providing medical equipment to Government hospital which benefitted many citizens and created an impact in the society.

At the end of the year can proudly tell that will be a member of the Rotary family for the rest of my life.

Rtn. Mohana Vamsi

Rotary Club of Hyderabad Legends

*"An Year of LEARNING,
LEADING & LOADING my
Soul with Experiences I will
Cherish for My Life."*

Performance Reflection on my Journey as AG with 7 Amazing Clubs

As I look back on this memorable Rotary year, I feel deeply grateful for the opportunity to mentor and support 7 diverse and dynamic clubs:

RC Banjarahills, RCH Elite, RC Himayath Nagar, RCH The Legends, RCH Megacity, RCH North and RCH Royals.

Each club brought something distinct — in leadership style, event planning, and execution culture. While some stood out in project implementation, others excelled in fundraising, fellowship, or member engagement. A few clubs showed strong consistency in meetings and reporting, while others radiated innovation in flagship projects. Despite varied approaches, all had one unifying spirit: a genuine urge to serve.

RC Banjarahills and RCH North executed a handful of meaningful projects while continuing to uphold their prestigious legacy initiatives — Sparsh Hospice and the Veljan Bicycles Project. RCH Megacity, RCH Elite, and RC Himayath Nagar showcased strong ground-level execution while keeping membership engagement and satisfaction as an equally important focus.

RCH The Legends scaled up their signature and impactful service models like Project Eco-Pressing and Project Fist of Rice, extending their reach and visibility. RCH Royals, though newly formed, impressed with their vibrant fellowship energy and youth-focused service, including support for the International Youth Exchange Program.

Some noteworthy initiatives across these clubs included: "SPARSH HOSPICE" — offering compassionate palliative care to terminally ill patients. "PROJECT ECO PRESSING" — a sustainability-driven shift to LPG-powered irons for Isthri (Ironing) Vyaparis, improving their earnings and health. "BICYCLE TO GIRL CHILDREN" — enabling girl students to commute to school safely and easily. The projects reflect the resilience, adaptability, and social commitment of these clubs — each navigating unique constraints yet united by Rotary's mission to serve above self.

A highlight of my journey was working alongside District Governor Rtn. Sharath Chowdary, whose visionary leadership, inclusive delegation, and forward-thinking mindset elevated every initiative. His thoughtful guidance and motivational presence made this Rotary year truly inspiring.

As I wrap up this chapter, I carry with me memories, lessons, and friendships that will last a lifetime. This year has truly been about learning, leading, and loading my soul with experiences I'll cherish forever.

Rtn. Ramini Rao
Rotary Club of Cantonment Secbad

I vividly remember the day I received a call from our District Governor Rtn Sharath Choudary Sir and I was enthralled by the opportunity of serving in the cabinet under your able leadership. I wholeheartedly appreciate and thank you. As a District Assistant Governor, I had a gratifying & enriching experience of serving as a bridge between clubs and DG, fostering growth and support within each club and in district.

As I completed my RLI course part I&II (stands for Rotary Leadership Institute training) in Goa. In Hyderabad I attended A G I L E - 2 0 2 4 (Assistant Governors' Immersive Learning) wherein I learned that my primary role involved assisting the District Governor in ensuring the effectiveness of the clubs within my assigned region, providing guidance and resources to help them achieve their goals for the year.

Seven clubs were assigned to me; they are RC Hyderabad Deccan, RC Greater Hyderabad, RC Cantonment Secunderabad, RC Hyderabad Mavericks, RC Kokapet EKAM, RC Hyderabad Metrocity & RC Hyderabad Nagole. Initially I had to motivated the Presidents and Secretaries of the respective clubs to join SPELL program, providing guidance on Goal setting in myrotary.org, monthly reports and service project implementation.

I actively worked with my assigned clubs, advising the clubs to take part in district programs in August: - District Vibrant Club Seminar. In September: - Zonal Membership Conclave where in RIPE Mario was present. In December: - TRF Seminar. In January 25: - District Conference. I helped/ assisted club leaders prepare for the District Governor's official visits, ensuring a seamless and impactful experience for both the clubs and the District Governor. Thanks to all club Irresistible leaders for cooperating with me.

Collaborated with other leaders on sharing information, coordinating activities, and achieve district goals was also a part of my responsibility.

Overall, my tenure as an Assistant Governor provided a tremendous learning opportunity for growth, and making a difference in the lives of others through Rotary's service, initiatives and leadership.

Last but not the least I would like thank my home club for their support in my discharging my duties as the ADG.

Rtn. Bhushana Rao
Rotary Club of Bhadrachalam

I am honored and grateful to Sri Sarath Chowdary garu for entrusting me with the responsibility to serve as Assistant Governor for the year 2024-25, overseeing and supporting 7 clubs in our area. In this role, I serve as a bridge between the District Leadership and our Clubs, ensuring effective communication and collaboration.

I strongly believe that Rotarians must embrace a spirit of service above self—helping the needy and making a positive impact within our capacities. A Rotarian stands apart from the common individual by dedicating their valuable leisure time towards teamwork and service projects.

Equally important is participation in District meetings and events, which fosters unity and alignment with the larger vision of Rotary. Regular club meetings are essential for discussing new project ideas and maintaining strong relationships among members.

Currently, membership growth is our foremost priority. A vibrant and growing membership will empower us to undertake more impactful projects in our communities.

Together, let us strive to make 2024-25 a year of meaningful service, strong fellowship, and growth.

Rtn. Govind Agarwal
RC Hyderabad Centennial

My Rotary Journey – A Bond Beyond Service

Rotary Journey:

It was in the year 2001 that I embarked on my Rotary journey, and what a rewarding experience it has been ever since. Being part of Rotary has been not only enriching but also deeply fulfilling. Over the years, I have found immense joy and satisfaction in the Service, Fellowship, and friendships that Rotary offers.

One of the most cherished aspects of my journey has been the friendships formed—both within my club and across District 3150. These bonds have grown stronger with time and today, I proudly consider my fellow Rotarians as part of my extended family. Their presence has become so integral to my life that no family function feels complete without them.

Rotary has taught me many valuable life lessons, but most importantly, it has shown me how passion and purpose can come together for the greater good. It is truly inspiring to witness well-established professionals from various fields come together to serve the community with dedication. The beauty of Rotary lies in its ability to execute impactful projects with the same precision and commitment as any employed team.

RC Hyderabad Centennial:

Our club's ongoing support for Moosarambagh Government High School exemplifies our commitment to service. Every January, as students prepare for their final exams, we provide nutritional support and academic coaching to help them excel. Contributing to their growth and success fills us with immense pride.

The spirit of fellowship is the lifeblood of our club. Regular interactions, shared goals, and social gatherings have transformed fellow members into lifelong friends. This camaraderie not only strengthens our bond but also energizes our commitment to Rotary's ideals.

Responding to a Rotary call—be it for service, fellowship, or support—has always been a matter of personal joy for me. It reaffirms the core values of Rotary and reminds us why we chose this path in the first place.

I extend my heartfelt gratitude to District Governor Rtn. K. Sharat Choudary for entrusting me with the esteemed role of Assistant Governor this year.

Looking back, I feel grateful to be part of this incredible journey. Rotary is not just an organization—it is a way of life.

Assistant Governor 2024-25

Rtn. Rajhans Banka
RC Secunderabad Sunrise

What an incredible journey it has been! I remember the evening when DG Elect Sharad Chaudhary called me and asked me how I was feeling, having been relieved of the post of club president. During that call, he offered to me to be a part of his Distt cabinet as assistant governor and let me confess, I was so happy and elated for the confidence that the DG had posed in me.

The journey started with two days learning program which was quite an enriching experience. There were so many experienced faculties who were invited from out of the district and they shared their experience and knowledge through various means. The Distt learning facilitator, BVP Raju Garu was always at help with the course material that he had prepared for this RLI. Thank you, governor, sir, for making me a better Rotarian.

We subsequently had attended the assistant governor training seminar, now known as AGILE. I was assigned six clubs, namely

1. Secunderabad Sunrise.
2. Global Champions
3. Chandanagar RC puram
4. Change Makers
5. Mancherial and
6. Secunderabad icons

It was such a unique experience to attend all of my assigned clubs, including my home club, Secunderabad Sunrise, for their installation program and installing their new board. It also gave an opportunity to bond with the club members, some of whom I would not have known before.

I tried to attend various projects of the assigned clubs and wherever needed, tried to give my inputs. Attending the district governor, official visits of my assigned clubs was again an experience in itself. I got an insight of the reports being presented and their evaluation during the official visits. Out of my assigned clubs, Secunderabad icons had to close down and surrender their charter due to some unavoidable reasons. I witnessed the turbulence faced by Change Makers and have seen their complete turnaround also.

All in all, it was a great learning experience for me throughout the year as assistant governor. I thank my Home club, Secunderabad Sunrise for their support to me.

In future, I would like to serve the Rotary movement in whatever capacity, I am asked for. I wish the Rotary movement all the very best.

PROBUS CLUB OF HYDERABAD, INDIA

Probus Club of Hyderabad was promoted in 1998 by the Rotary Club of Hyderabad North, at the initiative of its Founder President, Pr. Ram Mukherjee. It was accredited as a Combined Club by the Probus Centre - South Pacific Inc.

PCH Membership is by invitation to 60+. Spouses of the members are automatically members of the Club, irrespective of age. Any retired or semi-retired person of a good standing and who has had a distinguished career in a profession or business is eligible to become a member of the Club.

The principal objective of the Club is to promote: Fellowship, Caring & Mutual Support among members, Mental Stimulation, through pursuit of intellectual activity, cultural interests, puzzles, games etc. Currently, PCH, as a combined club, has 45 members (26 Gents and 19 Ladies).

Members meet every month on the last Sunday from 10:45 AM onwards at Hotel The Plaza. The formal meeting is usually followed with a learned or entertaining talk and ended with lunch which is a buffet spread and a dessert counter. Informal fellowship gatherings are sponsored by the members by rotation. Some Fellowships are sponsored by the club itself, either over lunch or dinner and held at different locations, often with drinks. These occasions give us ample time for fellowship and bonding, with fun and games.

PCH celebrated its 25th Foundation Day on 4th September 2023. A beautiful souvenir, describing its history, highlighting major events of friendship and fellowship and appreciating the factors driving us to be an enjoyable Club, are covered in the book. Soft Copy of the book is available on request.

Monthly News Letters are a regular feature of PCH. Monthly activities of the Club are summarised in a capsule and distributed to all the members and well wishers. Columns containing "Brain Teasers" are aimed to provide mental stimulation.

Friendship Exchange

Aarka in Brazil with other exchangees

Gauri twinning at Christmas with host family

The Rotary Youth Exchange (RYE) has a lofty motto - to build peace on earth , one youth at a time! And they have been doing it since 50 years! 2025 marks 50 years of exchanges of youth between 15 and 19 criss crossing the world each year. Each year , Rotary Districts round the world partner with each other to send and receive almost 6000 young people, on this wonderful transformational program.

What makes this unique?

How is it different from just visiting another country while on a holiday with family ?

And herein lies the heart of the program. Every child is a son or a daughter to the districts who send and receive them.

The students live with Rotarian families as their own. They learn the ways of their new home and through it their host country. They attend school , explore new subjects , learn a new language and absorb the new culture. They learn to adapt, adjust, give and take , blend, as well as stand out. They are proud ambassadors for their country.

During a Long Term Exchange Program, which is for 10 to 11 months , they also learn to live away from their families and friends, take responsibility for their actions and build confidence through the choices they make. They learn how to manage money and build skills of communication while addressing groups of Rotarians or peers. They make life long friendships with their host families and with other exchanges round the world. Above all, they learn that all human beings are one large family.

Which school or university can provide all this in such a short time in an international set up ? The answer is clear. The year when students go on the program is actually an add on educational year for life , and not a loss of a year as some believe! All the parents and students of those who have grabbed this opportunity, will vouch for it.

Our district 3150 has been running the exchange program since several decades. We have RYE Alumni who are now Rotarians and enriching their communities.

Our 2024 - 25 exchange year

This year our district had 2 very satisfying exchanges - with Mexico and Brazil. We will be continuing our partnership.

Our endeavour is to forge partnerships with districts in non English speaking countries so that children can learn a new language and observe diverse and meaningful cultures.

Friendship Exchange

Blanco and Arthur - at an Indian wedding

Bonds for a lifetime - Gauri and others

RID 3150 sent 2 students , one each to Mexico and Brazil.

The outgoing students were:

1. Gauri Bansal , daughter of Rtn Sanjay and Aneesha Bansal from the RC of Hyderabad Royals. Gauri spent her exchange year at Juarez part of district 4110 at Mexico hosted by the RC of Juarez

2. Aarka Chenji , son of Arvind and Shipra Chenji, non Rotarians , who was sponsored by the RC of Hyd North, went to RID 4760 in Brazil , hosted by the Rotary Club of Curvelo.

In return we hosted Blanco Diaz from Mexico and Arthur Moura from Brazil. Arthur has returned while Blanco leaves on June 23rd 2025. They were hosted primarily by the Rotary clubs of Hyderabad Royals and Hyderabad North with Rotarians from Secunderabad Cantonement , Hyderabad Pearl , Global Wizards , Bhagyanagar and Jubilee Hills partnering for home stays and outings.

The most respected school in Hyderabad , HPS Begumpet, under the dynamic Principalship of Dr Skand Bali very kindly agreed to lead the way by being a host school partner for this program. We are extremely grateful for this participation. This is the magic of goodwill and Rotary!

We hope all our Interact Schools will become host schools and actively host as well as send their students on this program.

All four children, Arka Gauri , Blanco and Arthur have touched several hundred lives during their exchange year in Mexico Brazil and India. They have a piece of their host country in them while still being proud of their roots. They will, like the other 6000 exchange students, sow the seeds of mutual respect and harmony in this fragile world.

India is working hard to systematize and expand this program. The formation of SAYEN (south asia youth exchange network) has brought all participating districts in and around India, together. I am hopeful that we shall soon form RYE champions within our district too. Please come forward if you like working with youth at an international level.

Lets join hands together to make the world a more peaceful place. Let 3150 be at the forefront of this endeavour.

Rtn Sheela Ramakrishnan
District Chair - Youth Exchange
RID 3150

A Year of Action-Packed and Unbound Potential in Interact District 3150

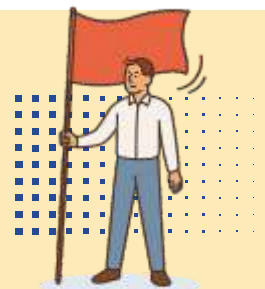

DISTRICT 3150 INTERACT CLUB'S VISION

To create a generation of compassionate leaders who embrace service and bridge cultures, leaving an enduring mark of positive change in our world.

DISTRICT 3150 INTERACT CLUB'S MISSION

To empower young people through inclusive service projects, cultural exchange opportunities, and leadership development programs. To nurture their compassion, critical thinking, and collaboration through fun, friendships & fostering a generation of globally minded leaders who leave a lasting positive impact on their communities and the world.

A New Vision

I still remember the day I approached the District leadership asking about his expectations from the Interact Club and District Interact Chair with a vision for Interact District 3150. That's how my year as the District Interact Chair began - with the exciting challenge of coining a clear vision and mission statement for our Interact clubs. This foundational step set the stage for a year of dynamic action and unprecedented achievements, marked by many milestones that have truly transformed our Interact landscape. We introduced a comprehensive Interact annual calendar aligned with monthly themes, providing a structured yet flexible framework for our Interact clubs' activities.

- **CREATION OF VISION AND MISSION STATEMENTS FOR DISTRICT 3150 INTERACT CLUBS**
- **13 NEW INTERACT CLUBS**
- **170+ SERVICE PROJECTS**
- **54 CALENDERED ACTIONS FROM JUST 25 REPORTING INTERACT CLUBS**
- **DISTRICT INTERACT CONFERENCE**
- **DISTRICT INTERACT ANNUAL AWARDS**
- **INTER-INTERACT COMPETITIONS: CREATIVITY UNLEASHED (ON INTERNATIONAL DAY OF NON-VIOLENCE & WORLD MENTAL HEALTH DAY)**

**INTERACT DISTRICT
3150 HIGHLIGHTS
OF 2024-25**

Youth in Action

This year, we've witnessed the incredible power of young citizens when their potential is tapped. A major highlight was providing an international platform to our Interactors through the South East Asia Regional Quiz on Sustainability, conducted online by ESRAG. This not only broadened their horizons but also underscored the global reach of Rotary's values.

Interact of Dist 3150 as Change Makers in Rotary Year 2024–25

Another historic achievement for District 3150 was the organisation of a day-long learning seminar (orientation) specifically for Rotary Club Interact Chairs and school Interact Coordinators. This initiative was crucial in ensuring our supporting Rotarians and educators are well-equipped to guide our young leaders effectively

District 3150 Club Interact Chairs Commitment Statement
Through Interact clubs, we Rotarians will:

I – Ignite N – Nurture T – Train E – Empower R – Refine A – Awaken C – Create T – Transform

Dist 3150 Interactors into compassionate global leaders.

Empowering the Mentors: District 3150's Interact Leadership Seminar

Participation in terms of nominations for Rotary International Interact awards by submitting in photography and video categories by a few clubs is a big step in all these years. I'm incredibly proud to announce that this year, we've welcomed 13 new Interact clubs, bringing our total to an impressive 101 Interact clubs as of today!

This growth is a testament to the enthusiasm of our youth and the dedication of our sponsoring Rotary clubs.

Best Long-Term Interact Service Project – District 3150 - "Fist of Rice" - Presented by the Interact Club of Samskar School

The Power of Collective Action: Every Drop Makes an Ocean

The spirit of service among our Interactors is truly heartwarming. During the challenging times of the Khammam floods, our Interactors collectively contributed a remarkable INR 1,00,000/-. This act of solidarity perfectly embodies the Rotary spirit of "Service Above Self" and demonstrates that every drop makes an ocean.

The "A Fist of Rice" project, spearheaded by the Interact Club of Samskar School and sponsored by the Rotary Club of Legends, was not only adjudged the best project of the year but also created a significant ripple effect, inspiring other schools and external bodies to join similar initiatives.

Flood Relief donation drive

These projects are not just about service; they are powerful platforms for developing crucial skills. When Interactors undertake initiatives like **Donation of Stationery to Orphanage, Stop Spitting India, Active Bleeding Control Session, Beautifying Classroom Walls in Government Schools, Say No to Crackers campaigns, Donation of Paper Bags to Street Vendors before Shivaratri**, or engage in **adult literacy programmes**, they are not only addressing community needs but also honing their **leadership, organisational, empathy, and communication skills**.

District 3150: Career Guidance

Computer Literacy Initiatives in Government Schools.

Flood Relief donation drive

Furthermore, projects like e-waste disposal drives, organ donation awareness sessions, cyber-crime awareness sessions, dry leaves mulching, visits and donations to blind schools, cultural exchange programmes with international students, and online scam awareness for support staff, environmental awareness as well as action-packed projects showcase the diverse range of issues our young leaders are tackling.

Through these activities, they are developing critical thinking, problem-solving abilities, teamwork, and a deeper understanding of societal challenges.

Painting the walls of Government School to make it welcoming.

District 3150 Installation Ceremonies

Celebrating Achievements and Charting the Future

A major highlight was our District Interact Annual Award Ceremony and Conference, which provided a platform to recognise and appreciate Interact clubs. 25 clubs nominated themselves, and more than 125 Interactors registered for the District Interact Conference - PRERANA, demonstrating their enthusiasm to engage more deeply with Rotary.

Focus on Community Hygiene : Swachh Bharat Initiative

As the District Interact Chair, my reflection is that it is high time for Rotary clubs to focus on specific goals and actively engage to promote Interact action by creating opportunities and consistently reporting their efforts to the district. A little hand-holding and consistent communication with schools will build stronger relations with Rotary. Visibility is key; we don't want the spirit and impact of our young leaders' invaluable work to go unnoticed simply due to non-reporting and communication gaps.

I have immense faith in the possibilities that Interact clubs can achieve if handled well, and if the potential of our young leaders is truly tapped. All the initiatives are poised to gain tremendous momentum in the years to come, forging a stronger, more impactful Interact District 3150. Let's continue to work together to empower the next generation of leaders and make an even greater difference in our communities and beyond.

Yours in Rotary Service

Dr. Jyothi Reddy Ghanta

IPP – Rotary Club of Jubilee Hills

District Interact Chair 2024–25, Dist 3150

ROTARACT - YOUTH POWER

SURESH CHANDRASEKHAR
(Dist Governor 2009-10) District Chair,
ROTARACT (2024-25)

The Power of Youth is enormous. Alfred Tennyson wrote his first poem at 18. It is said no Prose Writer equalled Chatterton at 25. Napoleon had finished his conquests by 28. Back home our spiritual giants Swami Vivekananda and Adi Shankara had achieved their Life's Mission at 39 and 32. Channelising the energies of our Young in the avenues of friendship and service is a matter of conviction in Rotary, even as the realisation draws worldwide that while talent and skills can take you far, it is your virtues reflected by your emotional quotient that will take you to the pinnacle of success and fulfilment. ROTARACT stands for ROTARY IN ACTION and District 3150 has a number of active and vibrant Rotaract Clubs which brim with innovative ideas, meticulous planning and skilful execution!

Our Rotaractors consistently endeavour to give off their best which is amply reflected in their novel and variegated programmes. DRR Vineela has led from the front and the year 2024-25 has flown by with the Rotaractors implementing excellent programmes and projects. I am sure the ROTARACT experience will stand them in great stead both in their professional and personal lives. It has been my great pleasure to get young again as I have met and interacted with our Rotaractors and addressed a number of Rotaract Clubs. They indeed are a very enterprising and enthusiastic lot!

For the young ROTARACT means a great learning experience, opportunities to hone their public speaking and team building skills and develop their leadership qualities. I urge every ROTARY Club in our district to sponsor one or more Rotaract Clubs- this ultimately means bringing MEANING in the lives of our Youth, apart from securing Rotary's future. Club Presidents can play key role towards this end. We cannot prepare the future for our youth but we can prepare our YOUTH FOR THE FUTURE!

I sign off in the words of Thomas Edison: "IF THE ONLY GIFT WE GIVE OUR CHILDREN IS THE GIFT OF ENTHUSIASM, WE WOULD BE GIVING THEM AN ESTATE OF INESTIMABLE VALUE!" Well done Rotaractors.... I now look forward to working with DRR 2025-26 VAMSHI and his team in what promises to be yet another great year in the cause of SERVICE THROUGH FRIENDSHIP!

The Magic of Rotary: A Smile on Every Face through Rotaract

This year, “The Magic of Rotary” embodies the essence of our work: converting compassion into action, turning ordinary moments into remarkable change, and bringing smiles to places that once knew silence. Through the vibrant enthusiasm of Rotaractors throughout our district, this magic has manifested in numerous ways—within classrooms, communities, and hearts. Here are some of the enchanting efforts we’ve undertaken this year through impactful service projects—each illuminating lives and resonating with Rotary’s enduring purpose.

Gift of Education:

The most transformative form of magic is the one that broadens minds and ignites dreams, and this is precisely what occurs when a child steps into a school. Our Rotaractors from the Rotaract Club of Hyderabad—The Legend came together to identify children from underserved communities and support their educational journey, providing assistance with fees, uniforms, books, and mentorship. For each child entering a classroom for the first time, a new chapter unfolds. That initial step into school? It’s more than just education; it’s magic in action.

Stitching Self-Reliance: Sewing Machines for Women

In the magical realm of Rotaract, true empowerment is about unveiling the potential that lies within. Through the enchanting efforts of our Rotaract Club of Hyderabad East, the sewing machine donation initiative has woven threads of opportunity for women from economically challenged backgrounds. These gifted machines are more than mere tools; they are keys to a new world where tailoring businesses bloom, families find support, and confidence blossoms. In every household where a sewing machine hums with purpose, the spirit of Rotaract casts its spell—transforming survival into a journey of thriving and growth.

Dignity in Every Cycle: Easy Pads through Vending Machines

When addressing change, it's crucial to remove obstacles. Our “Easy Pads” initiative focused on menstrual hygiene, a topic still surrounded by stigma. By installing sanitary pad vending machines in a government school through the Rotaract Club of Hyderabad North during our District Conference, we ensured that no girl has to miss school or feel embarrassed during her period. This project opened the door for discussions about dignity and health—turning shame into strength.

Waves Without Waste: Ten Lake Cleanup Drives

The environment, too, deserves our service. Through “Waves Without Waste,” our Rotaract clubs united to clean ten lakes across our district. With gloves, grit, and a green mindset, we restored nature’s calm — one lake at a time. The transformation was visible, not just in the clarity of the water, but in the awakened responsibility among local communities. This wasn’t just a cleanup — it was a spell of sustainability cast across our ecosystem.

A Second Chance through Stories: Library at a Juvenile Home

Sometimes, a single book is all it takes to inspire redemption. The Rotaract Club of Hyderabad East established a well-equipped library within a juvenile home—a sanctuary where young individuals can explore, reflect, and redefine their futures.

- From fiction to self-help to career guides, each book serves as a quiet mentor.
- In a place where hope can often seem elusive, we have sown stories—and along with them, new possibilities.

That’s the magic of Rotary: illuminating life’s darkest corners.

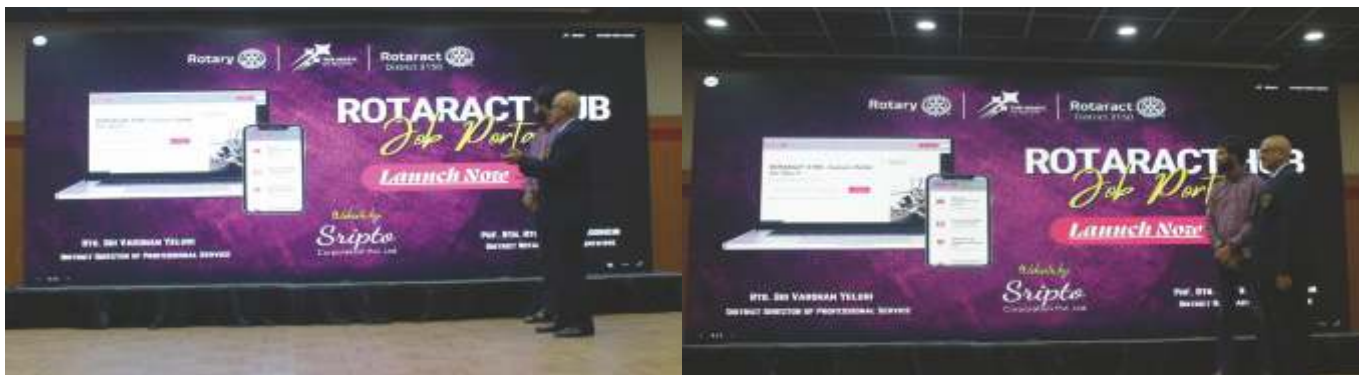

Celebrating Unsung Champions

Every month, our clubs honor unsung heroes—individuals whose quiet contributions strengthen our communities. Whether they are sanitation workers, traffic wardens, or dedicated local volunteers, we take the time to highlight their stories, present tokens of appreciation, and express our gratitude for the impact they have. These heartfelt acknowledgments bring immense joy, as being recognized is truly the most enchanting form of magic.

Rotaract Career Connect: Jobs for Rotaractors

This year, we also focused on the professional growth of our members. Through Rotaract Career Connect, we launched a platform that linked Rotaractors with job openings in reputable companies, startups, and partner organizations. We collaborated with employers who were willing to recruit directly from the Rotaract talent pool, offering internships, fulltime roles, and project-based opportunities. What made this initiative magical was watching Rotaractors land their dream roles, some even within companies where they once volunteered—a true example of service turning into success.

365 Days of Kindness: Food Donation Drive

One of the most inspiring undertakings this year was the 365 Days Food Donation Initiative—a commitment from the Rotaract Club of Narasaraopet Phoenix aimed at ensuring that no one goes to bed hungry. What started as a simple service project quickly transformed into a movement filled with empathy, dedication, and community spirit.

This initiative demonstrated that true magic doesn't require money; it simply needs a heart ready to serve every single day.

- From providing warm meals
- To distributing water bottles during the scorching summer months

This daily gesture of compassion has created a legacy of kindness that will resonate far beyond the Rotaract year.

With **30,377.8** volunteer hours, 1,600+ Rotaractors, and **305,465** lives impacted, Rotaract District 3150 brought the magic of Rotary to life—not with wands, but with willpower. Every act of service this year was a spark of magic, proving that when we come together to serve, we truly create a better, brighter world.

Presidents Message

Jasvinder Birgi
President 2024-25

As we complete one year of service, I feel immense pride and gratitude for what we've achieved together. This journey has been filled with purpose, teamwork, and the true spirit of Rotary – Service Above Self.

From impactful community projects to meaningful connections, every initiative has been a step toward building a better, more compassionate world. I thank each member, volunteer, and supporter who stood by us and contributed with heart and dedication.

Let's carry forward this momentum with renewed energy and continue to serve with passion, humility, and hope. Together, we make a difference.

Simran Maini
Secretary 2024-25

Fostering Entrepreneurship and Empowering Community through Vocational Training by Rotary Club of Hyderabad Deccan

Permanent Vocational Training Centre at SETWIN Dholpet

The centre will benefit 200-300 women every year, training them in:

- Tailoring
- Mehandi art
- Beauty and makeup
- Hand embroidery skills

Computer Donation Initiative

Overview of the initiative to provide computers to needy students and its impact on education and entrepreneurship.

Empowering Women through Sewing Machines

Initiative to donate sewing machines to needy women through vocational training programs in collaboration with SETWIN.

Objective: Empower women to take up stitching work and earn a living.

Expected outcome: Economic empowerment and financial independence for women.

Sewing Machine Repair and Support

Sewing Machines had been repaired, and we donated equipment for hand embroidery. We also provided material and training for stitching, designer training and motivation speaker sessions.

Reward for SETWIN students

We rewarded five SETWIN students with ₹5,000 each who performed exceptionally well in their semester. This recognition aims to encourage them to continue excelling in their further studies

Vocational Training for woman jail inmates at Chanchalguda jail

Vocational training in prison for day-to-day wear products. The products made will be showcased and sold in an exhibition. We have requested FICCI FLO and Deepshika clubs to provide space for the exhibition.

ICF Integral Coach Factory Visit, Chennai

Discussion on train manufacturing, including insights into India's upcoming bullet train project, nitrogen-run engine, and its potential impact on the rail industry and entrepreneurship.

Granules India Visit, Hyderabad

Overview of India's largest and world's third-largest manufacturer of paracetamol, and insights into the pharmaceutical industry and entrepreneurship.

Pragya Food Factory Visit, Hyderabad

Highlights from the visit to Pragya Food Factory and discussion on entrepreneurship in the food industry.

LPG iron box donation to 40 women

Donation of LPG iron boxes to 40 women Isthri Vyaparis who are willing to shift to LPG-powered iron boxes and are committed to providing support to all those interested in making the transition. This will not only contribute towards the success of our project but will also make a significant difference in the lives of these Women Isthri Vyaparis and the environment.

Rahul Aggarwal
President 2024-25

As President of Rotary Club of Hyderabad East, I'm honored to lead a club that has a golden legacy of 40 years of service in Rotary. Our club's commitment to Service, Fellowship, and Integrity has touched countless lives. From empowering women and supporting government schools to providing mobility aids and health screenings, our impact is a testament to Rotary's values. I'm grateful to our members and Anns for their dedication and believing in the Rotary values and working towards making a difference in the society. Together, we'll continue to inspire and uplift our community.

Radheshyam Tiwari
Secretary 2024-25

ROTARY CLUB OF HYDERABAD – THE LEGENDS

Creating Sustainable Impact
Through Innovative Community Service

ECO PRESSING

Aiming to Empower 10,000+ Isthri Vyaparis.
One Iron Box at a Time.

An ambitious citywide initiative to transition Hyderabad’s ironing vendors from polluting coal-based irons to clean, LPG-powered iron boxes, offering lasting benefits for their health, income, and the environment.

Key Benefits

Health Safety

Protection from toxic coal fumes & heat exposure

Better Quality

Cleaner clothes with no soot or ash

Faster Work

Quick heat-up & precise temperature control

Increased Earnings

Greater productivity = higher profits

Environmental Care

Lower emissions & carbon footprint

Impact Overview

Economic
₹60+ Crore/year of
additional collective income

Environmental
72+ lakh kg of coal
saved per year

Health
Safer, cleaner livelihoods
for 10,000+ families

Sustainability
A leap toward eco-friendly
micro-enterprises

Eco Pressing isn’t just about switching fuel. it’s about igniting change for thousands of hardworking citizens

FIST OF RICE

Adjudged as Dist 3150, RY2024–25
BEST INTERACT SERVICE PROJECT

In partnership with the Interact Club of Samskar School, this beautiful initiative encourages students to donate just a fistful of rice — creating a wave of nourishment for orphanages and children in need.

Key Benefits

Empathy Building

Instills compassion and responsibility in students

Regular Aid

Steady food supply for underprivileged children

Replicable Model

Simple, scalable in any school or community

Small Acts, Big Change

Every handful makes a difference

Act of Kindness

Promotes an idea that no act of kindness is too small

Impact Overview

Economic
Thousands of kilos of rice
collected yearly

Social
Eases burden on
NGOs and shelter

Emotional
Children learn their actions
can change lives

Community
A new generation growing
with gratitude & giving

Fist of Rice proves that even the smallest hands can serve the greatest purpose.

“ Service Above Self | Building a Better Tomorrow “

Presidents Message

Rtn P. Vanasri
President 2024-25

Together with our passionate members and supporters, we are committed to creating a meaningful impact through service in health, education, and community development. This year also marked a significant milestone as we proudly launched our first Interact Club.

Our club extended its impact by co-sponsoring a Mega Health Camp in partnership with CR Foundation Polyclinic and supporting the cultural showcase Natyathoranam organized by Amrutha Trust. We also organized insightful discussions on the intersection of environment and human life, further deepening our club's commitment to holistic service.

D. Laxminarayan

Stephanie Urchick
Rotary International
President 24-25

Sharath Choudary
District Governor
3150 24-25

Gattu Gnana Prakash
Assistant Governor
3150 24-25

Chiranjeev Saluja
President, RC Lake
District 24-25

Uday Pilani
District Governor
Nominee 3150 24-25

Dimple Agarwal
Secretary, RC Lake
District 24-25

A Message from the President (2024-25) AKS Rtn. Chiranjeev Saluja On Rotary's Motto - "Service Above Self"

"This Rotary year, our club truly embodied the spirit of 'Service Above Self' by turning vision into impactful action. Through meaningful initiatives that touched countless lives, we advanced the mission of The Rotary Foundation and demonstrated the power of collective commitment.

These achievements are a reflection of our members' dedication and the steadfast support of our District leadership. As we move forward, this shared spirit of service and fellowship will continue to guide and inspire us to reach even greater heights."

Acknowledgment of our Visionary Rotary Leadership

The Rotary Club of Lake District extends its heartfelt gratitude to Rotary International President Rtn. Stephanie Urchick, District Governor 3150 Rtn. Sharath Choudary, Assistant Governor 3150 Rtn. Gattu Gnana Prakash, and District Governor Nominee 3150 Rtn. Uday Pilani for their inspiring leadership and unwavering guidance throughout the year.

A Model Rotary Club

- **World's First Paul Harris Society (PHS) Club** at the time of charter, setting a historic milestone.
- **World's First Promise Club**, demonstrating unmatched commitment to the Rotary Foundation.
- **Committed USD 1 Million to The Rotary Foundation** for the year 2025-26, reflecting exceptional philanthropic leadership and setting a new standard.
- **Ranked No. 1 in South Asia** for Total Foundation Giving (Rotary International, May 2025).
- **Holistic Impact:** Executed 15+ projects in all 7 Rotary areas of focus, showcasing comprehensive community service and impact.

Our club has been actively serving the community for the past 5 years. This year we have undertaken several impactful projects such as:

- Operating Theatre at Siddipet, Telangana (₹1,61,53,000)
- Annamrita Kitchen, Puttur (25,00,000)
- Disaster Relief at Khamam (5,00,000)
- Distribution of Reusable Sanitary Pads (₹5,00,000)
- Throughout this report, we have highlighted some more of our key initiatives.

Our Key Initiatives

Area of Focus: Basic Education & Literacy
Place : Falaknuma, Hyderabad
Beneficiaries : 1,400
Product : Interactive TV, Content, App
Cost : 95,850
Impact : Enabled interactive and personalized learning experiences, improved students' attention spans and focus on core subjects, enriched teaching methodologies, and effectively bridged the urban-rural education gap fostering deeper learning, greater inclusivity, and enhanced student engagement.

Date: 23/07/24

Date: 21/03/25

Epilepsy Centre at NIMS

Area of Focus: Disease Prevention and Treatment
Place : NIMS, Hyderabad
Beneficiaries : 1,000
Product : Paediatric Neurology and Epilepsy Monitoring Unit
Cost : 2,50,00,000
Impact : Established a state-of-the-art Pediatric Neurology and Epilepsy Monitoring Unit, enabling accurate diagnosis and advanced treatment for hundreds of children daily. This initiative bridges the urban-rural healthcare divide, bringing cutting-edge medical care to even the most underserved communities.

Date: 24/08/24, 16/09/24, and 30/10/24

Distribution of Pushcarts

Area of Focus: Community Economic Development
Place : Tenali, Yadgirigutta, Karimnagar
Beneficiaries : 188
Product : Pushcharts
Cost : 5,38,500
Impact : Empowered local vendors with sustainable, ownership-based livelihoods by eliminating dependence on rented carts. This initiative has improved their daily earnings, enhanced mobility and visibility, and restored dignity and self-reliance in their work.

Club ID: 222166

Date: 16/05/25

Creche Facility at NIMS

Area of Focus: Maternal and Child Health

Place : NIMS, Hyderabad

Beneficiaries : 1,000

Product : Creche

Cost : 9,00,000

Impact : Created a safe and nurturing space for children, supporting professional working parents. Open to the public, the facility ensures accessible childcare and reflects the club's commitment to community welfare and inclusive support systems.

Date: 10/10/24

Mental Health Awareness Session with Sushma Nigam

Area of Focus: Peace Building and Conflict Resolution

Place : Zoom (online session)

Beneficiaries : 27

Product : Mental Health Awareness

Impact : Enhanced mental health literacy and empowered individuals with self-assessment tools, coping strategies, and resilience-building techniques. The initiative contributed to stronger families and communities, reduced stigma around mental health, and supported improved well-being in both personal and workplace environments.

100 Mission Toilet Block

Area of Focus: Water, Sanitation, and Hygiene

Place : Bhadrachalam, Sadashivpet, Palwancha, Thorilkonda, Bollepalle

Beneficiaries : 1,000

Product : Toilets

Cost : 39,18,857

Impact : Improved hygiene, health, and school attendance-especially among girl students-by ensuring access to clean and safe toilet facilities. This initiative fosters a dignified learning environment, promotes gender inclusivity, and supports students' overall well-being and academic continuity.

Club ID: 222166

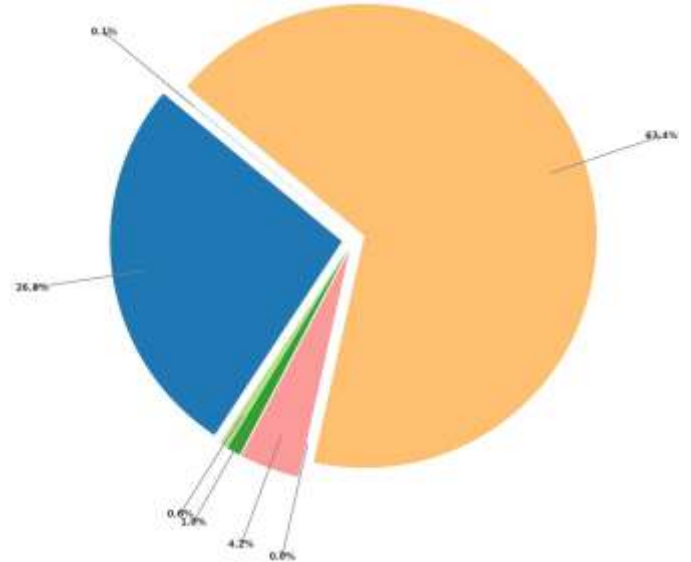

Our Signature Project:

Solar Electrification

Area of Focus: Supporting the Environment
Place : Kondareddypalli
Beneficiaries : 1420
Product : 355 3kW Solar Rooftop Systems
Cost : ₹6,30,00,000
Impact : Provided 355 3kW solar rooftop systems that generate around 400kW of electricity each in turn reducing the release of greenhouse gases into the atmosphere, conserving natural resources, economic upliftment and creation of employment alongside lower energy costs and promoting sustainability.

Area of Focus: Public Image
Place : Kolluru Mandal & Repalle Mandal
Beneficiary : Flood Disaster pepole in Kolluru and Repalle Mandals
Product : Food Geocery kits -2500 nos
Impact : Provided relief, hope, and stability to families during flood recovery.

State of the art e-learning centers in 30 Government schools

Category: Education

As part of the CSR program of Rotary Club of Bangalore West, RID 3192, under the CSR grant from Goldman Sachs, Rotary club of Sainikpuri has been able to setup 30 e-Learning centers in 30 different Government high schools within the Greater Hyderabad area. Each center consisted of a dedicated room with 30 or more state of the art laptops, computer software and applications, tables, chairs, power back up, network connectivity, air conditioning, projector, etc. to make them readily usable for e-Learning. The objective of the project is to introduce the key high technology to students at a very early level and help them with their creativity and innovation, so that they become industry ready once their education completes. The cost of setup for each e-Learning center was between INR 10-15 Lakhs, and a running cost of INR 2-3 Lakhs each year. Approximately 1200 students are being benefited.

Signature project: Thalassemia Care, Awareness & Prevention

Category: Health

Rotary club of Sainikpuri has taken up Thalassemia care as a signature project from the year 2020-21 and further expanded it to Thalassemia care, awareness and prevention. Patients need to get blood transfusions approximately once every 3-4 weeks, from their very childhood till as long as they live. This makes the child go through significant suffering and trauma, and can lead to medical complexities. A simple blood test called HPLC can help a person to know if he or she is a Thalassemia carrier. A task force has been created with multiple clubs participation, with the objective to conduct regular blood donation camps to help exclusively Thalassemia children, to raise awareness among youngsters by giving sessions in colleges and corporate offices, and to steer the youngsters to get HPLC testing done to know if they are Thalassemia carriers and to avoid marital engagement of two Thalassemia carriers. The goal is to realize a Thalassemia-free India and Thalassemia-free world by taking the simple steps necessary to prevent Thalassemia.

 **THE MAGIC
OF ROTARY**

Rotary
Rotary Club of Secunderabad Sunrise

Host Club President's Message | Rotary Club of Secunderabad Sunrise

Rtn. Anil Ratan Goyal

President 2024-25

WHAT A YEAR..... being the President of such a prestigious club - Rotary Club of Secunderabad Sunrise..... the experience to lead an achieving Rotary Club to even greater heights made my tenure truly memorable.

To lead a group of kings, each capable of handling any matter on his own, had it's own challenges. But I would truly thank all my board members and my fellow Rotarians for the support through out the year. Rotary is a place where one learns to make new friends, new extended family, new faith, new love, new reliability, new associations,..... and this a continuous process and new Rotarians keep joining the fraternity. So whether you are a fresh person joining Rotary having the opportunity to gain all of the above.....or if you are

a Rotarian for 15+ years like me..... one always gains from all the above experiences because when we inducted 12 new members into our club this year, we went through the warm feelings/ moments of welcoming new members. The bastions that we have crossed in this one year were one of a kind, specially being at the helm of taking decisions and enjoying the experience of the family of Rotary through out the year.

The district leaders, ably led by District Governor Rtn Sharath Choudhary have always been a call away for any work or clarity required. In our case he was ably assisted by Assistant Governor Rtn Rajhans Banka as our club was assigned to him.

Yes, as a club we have toiled hard where required, made merry when we met at family fellowships, got to know each other better when we had know your Rotarian sessions, gained knowledge from learned speakers, gave confidence and secured funds for CSR projects from a battery of renounced business houses, executed projects like tik-tok, reached out to the underprivileged sections of the society, felt their pulse, tried to build bridges, narrow the gap..... and, most importantly try to create opportunities to build better lives as humans. We have completed projects in the fields of health, education and water. At least ten major projects were completed in this year 2024-25, just under the CSR bandwidth, totalling 4.25 crores approximately. And.....I am proud to say that we as a club, have been consistently increasing our range in the last nearly 9 to 10 years, which is why Rotary Club of Secunderabad Sunrise is perhaps one of top clubs on Rotary District 3150.

We have been giving MS dual benches for government schools every year from 2016-17 to date and this year as well, we have given 3275 benches. We have given some many medical equipments to MNJ Cancer Hospital alone over the years and this year as well, that we refurbished their Histopathological Lab with houses most equipments donated by us..... Thus enabling the Pathologists to reduce the time frame of detecting most Cancers from 14 to 28days ... to a mere 1 to 4 days..... thus enabling patients to start treatments early. We have also provided with baby warmers for the toddlers who are born with critical problems from through out the state. We have built toilets, renovated Dining Halls and provided sports equipments to schools..... i could go on and on and on. All of which are truly satisfying experiences - giving immense pleasure of being a Rotarian and driving me to respectfully keep giving back to the society in the most passionate way.

Last but not the least, the opportunity to host the last event of the year 2024-25 on the form of District Awards Night by DG Sharath Choudhary has given our entire club to once again unite, make new friends from across the district and showcase the RCSS flavour of hosting premier events. We are leaving no stone unturned in making this event memorable to one and all. Thanks once again for the opportunity, friends.

Global Rotary Connections: Opportunities for Indian Rotarians Visiting Clubs Worldwide

Rotary International is a global network of 1.4 million members across 46,000+ clubs in over 200 countries. For Indian Rotarians, this global reach opens up unique opportunities to connect, learn, and contribute on an international stage. Attending Rotary meetings while traveling abroad is not only possible—it's highly encouraged and immensely beneficial.

Is it Possible? Absolutely.

Rotary clubs around the world warmly welcome visiting Rotarians. Whether you're on a business trip, family vacation, or international assignment, you can attend local club meetings by simply contacting the club in advance or checking their meeting times via the Rotary Club Finder tool or Rotary International website.

Key Benefits

Global Fellowship

Visiting clubs helps build lasting friendships across borders. It's a chance to experience diverse cultures, traditions, and service approaches—all within the Rotary framework of "Service Above Self."

Professional Networking

Rotary attracts professionals, entrepreneurs, and leaders in various fields. Visiting clubs can expand your professional network, open up collaboration opportunities, and even lead to business insights or partnerships across industries and continents.

Exchange of Ideas

Every Rotary club is unique in its projects and initiatives. By attending international meetings, you gain exposure to innovative service ideas, fundraising strategies, and community programs that can be replicated or adapted back home.

Promote Indian Rotary Projects

As a visiting Rotarian, you serve as an ambassador for India and your home club. You can share updates about your club's initiatives, explore partnerships for international grants, and foster support for causes close to your heart.

Enhanced Cross-Cultural Understanding

Engaging with Rotarians from diverse backgrounds nurtures mutual respect, cross-cultural learning, and deeper appreciation for global issues—hallmarks of effective community leadership in today's interconnected world.

How to Get Started

- Use the Rotary Club Finder or the Rotary app to locate clubs in your travel destination.
- Contact the club secretary or president in advance, introducing yourself and expressing interest in attending.
- Carry your Rotary membership card or identification. Also carry a club flag (if available); to exchange with the host club.
- Get your 'Rotary' name cards printed; to leave with members interested to contact you later.
- Be open to sharing your experiences and learning from theirs.

Final Thought

For Indian Rotarians, visiting Rotary clubs worldwide is more than a courtesy—it's a powerful gateway to global friendship, meaningful service, and impactful collaboration. Whether you attend a breakfast meeting in Tokyo, a lunch session in Nairobi, or a dinner in São Paulo, you're part of a shared mission of creating lasting change—locally and globally.

Rotary Club of Secunderabad Sunrise

Rotary Club fellowships with family and children participation add a warm and inclusive dimension to Rotary club life. These gatherings create a family-friendly environment where spouses, children, and even extended family members are welcomed and involved. Events might include picnics, cultural nights, talent shows, sports days, or festivals that offer activities for all age groups. Involving families not only makes Rotary more accessible and enjoyable for members, but also strengthens the sense of belonging and support within the club, turning it into a larger community rather than just a professional network.

This inclusive approach directly supports Rotary's value of fellowship and community building. When families are part of the experience, it creates a deeper emotional connection to Rotary and encourages long-term commitment. Children and youth who grow up seeing service and leadership modeled through these events are more likely to develop the values of compassion, volunteerism, and civic responsibility. Ultimately, family-oriented fellowships help sustain and grow the spirit of Rotary across generations, enriching the club's social fabric and service potential.

My journey as the Fellowship Director of our Rotary Club for over a decade has been nothing short of extraordinary. From the very beginning, I believed that strong bonds among members are the heart of a thriving club, and fellowship was the key to building those bonds. Over the years, I've had the privilege of planning countless monthly gatherings & fellowship from themed dinners and cultural evenings to outdoor family picnics, musical nights and festive celebrations. Each event was an opportunity not only to relax and enjoy but to connect on a personal level, share stories, and build friendships that extended beyond Rotary's formal spaces.

What made this role truly special was seeing the growing participation of families and children. Watching members' children perform at talent shows, spouses share their creative talents, or entire families come together for service activities gave me a sense of fulfillment that's hard to describe. These experiences taught me that Rotary is more than meetings and service projects—it's a way of life grounded in community and shared joy. Over the years, organizing fellowships ably supported by my wife Seema Jain & some friends not only enriched our club spirit but became a beautiful part of my own personal journey, filled with laughter, teamwork, and lifelong connections. I am deeply grateful for the trust and love I received, and I look forward to continuing this legacy of togetherness.

Fellowship at The Rotary Club of Secunderabad Sunrise

Our Club has indeed earned a reputation for its strong emphasis on fellowship and community bonding since its establishment in 2006.

Our club prioritizes family involvement in its activities, ensuring that not only Rotarians but also their families are engaged in fellowship events. This creates a supportive network and enriches the Rotary experience for all members.

I have Highlighted some of the fellowships and events hosted by the Rotary Club of Secunderabad Sunrise, in the following pages

The fellowships and events hosted by the RCSS are detailed in the following pages.

Rotary Club of Secunderabad Sunrise

PP Rtn. Srinivas Gumidelli

Rotary Club of Secunderabad Sunrise
CSR Chair, Dist 3150 (2021-24)

Sincere Appreciations to all the Members, Trustees of Rotary Club of Secunderabad Sunrise and specially the Managing Committee of the District Awards 3150 for pulling of yet another marvellous event in style.

Being a member of Rotary Club of Secunderabad Sunrise, I was very passionate about community service from a long time but was not having a clear path on how to achieve this passion. In the year 2016 the government of India has become aggressive in pushing CSR policy aggressively by making 2% of net profit of companies to be mandatorily spent for upliftment of society. This aggressive policy by the Government provided the necessary impetus to fulfill my passion of serving the society through CSR.

In the year 2020-21 our club has appointed me as the CSR Director of our club and our Rotary District 3150 has appointed me as District Chairman CSR in 2021-22. In the last 4 years as CSR Chairman, I had full support and co-operation from our Rotary Club of Secunderabad Sunrise, Rotary Sunrise Service Trust and District 3150.

From the year 2021-22, our CSR Activity has grown multifold. Starting with 1 CSR company supporting us, now we can proudly say that there are 20+ CSR Companies supporting us to serve the community mainly in the areas of Health and Education. The value proposition of projects also have grown exponentially from 60 lakhs per year to almost 5 crores per year. Our major CSR Donor and supporter from the beginning of this CSR journey has been M/s BHEL GE Gas Turbine Services Pvt Ltd., who have been the backbone and reposed complete faith on our club and trust by funding most of our projects under CSR.

The first flagship project as on date has been the Dialysis Centre which was established about 3 years back and costed us almost Rs. 2 Crores. This Centre is professionally managed by Bhagwan Mahavir Dialysis Trust and till date more than 15000 subsidized Dialysis have been successfully completed.

The second Flagship Project has been the Benches/Dual Desks Project wherein we have gifted 8000+ Benches which can accomodate 24000+ school students in 200+ Government Schools. Apart from these 2 flagship projects, we have sponsored Toilets in Government Schools, Renovation of Schools, provision of Safe and Pure Water in RTA's and Schools, Food and Medical assistance during Covid, State of the art Medical Equipments to Government Hospitals etc. The value of the total projects executed is to the tune of Rs.15 crores.

All these projects were possible due to the continuous support and encouragement of the Members/Trustees/Presidents/Chairmen/BOD of ROTARY CLUB OF SECUNDERABAD SUNRISE, ROTARY SUNRISE SERVICE TRUST and our CSR partner companies.

All in All a very satisfactory journey touching so many hearts and fulfilling the desires of so many underprivileged people in the society.

WE ADD MORE WHERE IT MATTERS.

SETTLE FOR MORE

26+ years in Hyderabad taught us: build better, price fair, and deliver homes that give more value to every family.

SIGNATURE ONE

3BHK & 4BHK Apartments

Starting at ₹1.66 Cr in Rajendra Nagar, Hyderabad

+	+
100,000sqft of Amenities	Grass Covers
+	+
Stacked Parking Provision	75% Corner Apartments
+	+
Super Large Balconies	21 more

For over two decades, we've stayed focused on building homes the right way, where design, finish, and pricing come together naturally. The result: homes that give you more than you expect, without asking for more than they should. Settle for more.
